As a Creative Graphics and UI/UX Designer, I specialize in designing visually engaging and brand-consistent materials across both digital and print platforms. At **MSM Unify**, **MSM Group**, **Q-Academy**, **Innivec**, and several **global universities**, I have successfully designed a wide range of creative assets including:

- **Brochures, Leaflets, Flyers, and Print Collaterals**
- **Brand Identity Elements** aligned with institutional guidelines
- **UI/UX Designs** for web portals and platforms
- **Marketing Campaign Assets** tailored for global academic audiences

With a strong focus on clarity, creativity, and user engagement, my work helps institutions communicate effectively and stand out in competitive international education markets.

Designed large-format, branded **wallpapers and interior graphics** for MSM Group's corporate offices across: **Gujarat Office, Gurgaon Office and Uttar Pradesh (UP) Office.** These designs were crafted to reflect the organization's core values, global presence, and brand identity, while enhancing the **aesthetic appeal and environment of the workplace**. Each design was tailored to the office's location and spatial layout, ensuring visual harmony and impact.

Key Highlights:

- Integration of **brand elements, inspirational messaging, and cultural motifs**
- Use of **high-resolution vector graphics** suitable for large-scale printing
- Coordination with **interior teams and print vendors** for precise execution

As a **Creative Graphics and UI/UX Designer**, I've developed a wide range of visually engaging and user-focused solutions for **MSM Unify**, **MSM Group**, **Q-Academy**, **Innivec**, and multiple **global university partners**. My contributions span both **digital content** and **platform design**, helping elevate brand communication across various channels.

Social Media Design:
Created impactful graphics, carousels, banners, and ad creatives tailored for platforms like LinkedIn, Instagram, Facebook, and X, maintaining consistency with each brand's voice and goals.

UI/UX Design:
Designed modern, responsive interfaces for websites, portals, and internal dashboards. Delivered wireframes, mockups, and prototypes to enhance user experience and streamline navigation.

Key Achievements:

- Strengthened digital engagement through high-performing visual content
- Improved usability and design consistency across multiple web-based platforms
- Collaborated with marketing and development teams for seamless implementation

I've had the opportunity to collaborate with a dynamic and talented team at MSM Unify's Brand and Marketing department. Working alongside Ravi Sir, Soumya, Yogesh, Tahir, Abhinay, and many others, we've collectively contributed to impactful marketing campaigns, visual storytelling, and creative brand development across multiple platforms. Each member brought unique strengths to the table-be it strategy, design, content, or execution-fostering a collaborative environment rooted in mutual respect and innovation. Our synergy has not only enhanced the brand's visibility but also strengthened internal creative processes, setting a solid foundation for future success.
